

PARTICIPANT RECRUITMENT

PHASE 2: BREAST CANCER NAVIGATION

LOOKING FOR **VOLUNTEERS**
21 JULY 2025

Cancer Navigation and Reported Outcomes Project

Project title: Enhancing cancer navigation for newly diagnosed, treated and post-treatment of people living with breast cancer in interior region of British Columbia

Do you have a recent diagnosis or treatment of breast cancer? Are you living in rural or remote areas of the interior region of British Columbia?

We are looking for volunteers to participate in a cancer care navigation study. **Benefits include** access to a professional navigator, guidance with decisions, practical support, and navigation in healthcare. Your voice matters and contributes to BC Cancer Study

For more information and **sign up contact**, Melba D'Souza,
School of Nursing, Thompson Rivers University,
Phone 604-751-6672, Email: mdsouza@tru.ca
